Buying one small gift this year
can make all the difference

**This
Year,**

Did You Know,

in 2019-2020

Victim Support offered help to
1482 families impacted by homicide?

our Christmas
Act of Kindness will
support children in
families bereaved
by homicide.

We know the devastating effect this can have on the lives of children, so this year we will be spreading some holiday joy by sending **Christmas Stockings** full of **presents** to those affected.

But, with so many children to gather stockings for, we can't do this alone!

We need your help!

Let's work together
to make a **real difference**
this year and spread some
Holiday Cheer where it's
needed most!

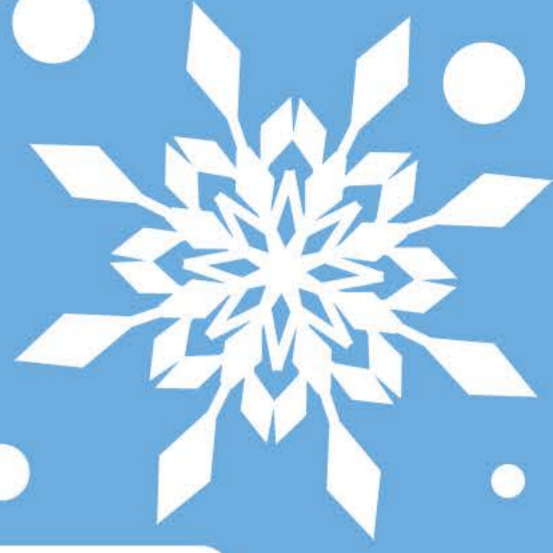

What Can You Do?

We have a list of things we want to collect.

You can help in a number of ways:
